To the Family of;

My name is Theandra Sostand. I'm involved in an International Bible Educational Work. The purpose of this letter is to pass on my condolences and to share with you a Bible hope for the future. I do understand that most persons already have their own form of worship. But regardless, we all have the need to be comforted at times like these, don't you agree?

Because it seems so unfair that death should have the power to take away someone you love. And when it happens, the thought of never again being able to talk to, laugh with, or hold your loved one can be most difficult to bear.

Have you ever wondered, "Is death really the end of it all?" Have you ever read it for yourself in the Bible? The Bible is so clear on this matter, like at Ecclesiastes 9:5,10. It also shows that there is real hope, in the future, for those who have faith at John 11:25. And Jesus demonstrated his God-given power in this regard when he went to the tomb of Lazarus, who had been dead for 4 days and restored him to life. (John 11:38-44) Just imagine the joy of those who saw this resurrection or others performed by Jesus. Will we ever feel this joy? The Bible promises we can.

And there are so many promises held out to obedient mankind. And they are all found in the Bible. I would like to share some others with you.. If you have a thought to share or even a question that you've never had answered. Please come a talk with me so that we might have an interchange of encouragement.

Sincerely,

Theandra Sostand and Family###imported-begin###Theandra
