“ Wow. This is hard. I have known Connie for a long time. She has always been sweet and kind. She always treated me and my brother David like we were her own kids. Anytime we were at her house or vice versa we always had a great time. I love her very much and it pains me to know she's no longer here but she'll have that "real" life in paradise. She was so kind to my mother during her illness and she will always have my gratitude for that. I will surely miss her and I loved her dearly.

“ Connie was such a beautiful person both inside and out. She always made me feel welcome. I loved her so very much !! Her laugh, wit and hospitality radiated at all times. She was like family and I'm privileged that she trusted me to be like a big sister to her beautiful children. I can not wait to welcome her back in the Paradise, when she will be in perfect health. ❤️❤️❤️

Thr family lost the beautiful woman who created my incredile 4 neices and nephews.

My friend and sister in law's legacy will continue to be strong and loving. Her children and grandchildren will sparkle with their mother's love in them.

Connie...you have fought the great battle, that immense pain and suffering can no longer grip you in its clutches.

I remember you Connie as a person who scolded me with love, then bust out laughing, telling me how silly i was.

Finally, as the oldest and biggest member of our family...Thank you Connie for coming into our lives. You have blessed all our lives with yours...

Journey well Connie, journey well...

You are already missed!

“ *Connie was a wonderful person! She showed special interest in the young ones. Though I am the age of two of her children she treated with me love and kindness and I considered her a friend.*

The obituary says that Connie was a lifeguard at one time in her life. She used those lifeguard skills at Myrtle Beach and saved my life. The waves were pulling me too far from the shore and she literally put me on her back and swam me back to the shore. I will NEVER forget that moment!

I will miss Connie as she is sleeping in death and look forward to the wonderful future when I can see her happy and healthy again on a paradise earth.

My love and condolences go out to all of the family!!!
