“ *The family picked this poem to be read for Mr. Carter. It is a perfect fit. Anyone who knows him knows he is a great husband and father. His family is the most important thing to him. He is a great man that will be missed very much. He will forever be in our hearts. I love you all so much if there is any thing I can do just let me know.*

*May I go Now?
Do you think the time is right?*

*May I say good-bye to pain filled days
and endless lonely nights?*

*I've lived my life and done my best,
an example tried to be.*

*So can I take that step beyond
and set my spirit free?*

I didn't want to go at first.

I fought with all my might.

*But something seems to draw me now
to a warm and loving light.*

I want to go.

I really do.

It's difficult to stay.

But I will try as best I can

to live just one more day.

To give you time to care for me

and share your love and fears.

I know you're sad and afraid,

because I see your tears.

I'll not be far,

I promise that,

and hope you'll always know

that my spirit will be close to you,

wherever you may go.

Thank you so for loving me.

You know I love you too,

that's why it's hard to say good-bye

*and end this life with you.
So hold me now, just one more time*

and let me hear you say,

because you care so much for me,

*you'll let me go today.##imported-begin##Ruth
