“ I hadn't seen Mrs. Talbert in many years, but my very fond memory of her was when she kept my daughter, when I first came to Hartsville, while I worked at Hartsville Mfg. She was the sweetest person I had ever met and was so good with my little girl (who is "in her 40's, now!) Any way.... God bless and comfort the family & friends of Mrs. Talbert, until you meet again.

“ *What can I say but how blessed I was to have had a wonderful grandma like it did. I remember staying at her house playing under the quilt stand, playing cards, counting cars, just spending time with grandma was always fun. She lived a full life and gave back without asking anything in return. I am so glad that these past years we grew even closer and she shared stories with me that I had never heard before. What a wonderful legacy she has left on the hearts and minds of all who knew her. The Lord really blessed her to have lived as long as she did and now I know she is singing and rejoicing with HIM and with my mom and all of her love ones who have gone on before her. Bet they were wondering if she was ever going to come!!!! I will miss seeing you everyday grandma and I love you very much thank you for everything until we meet again.*
Love your youngest granddaughter,
Crystal

“ Mrs. Talbert was like a Mother to me. The entire family was like a family to all of us. I can see her now rocking those babies in the nursery on both knees. She is rocking some now in Heaven. Please know that you are in my thoughts and prayers. Keep the Faith, one day we will see her again in a Family Reunion that never will end.

“ What can I say about my Aunt Curtis. She always made me laugh and she taught me how to play cards really well. Talking with her and spending time with her gave me memories that will last a lifetime. I know that right now she is having a blast with my grandmother as well as her sisters that have passed before her!!! She will be missed!

“ To the family of Mrs. Curtis (as we called her) I have been visiting with your mom, grandma and family member for close to 15-16 years. Thank you for sharing her with my family. My daddy loved her dearly, she watched me blossom with my second son and shared many conversations. She will be so deeply missed by my entire family and my life is richer for having known her. You all were so blessed to have such a wonderful woman as a matriarch of your family. God be with you during this loss for us and gain for heaven - your family is in our prayers. Dusty, Terri, Dallas and Gunner Rhoad.
