“ We did not have the privilege of knowing Danny for a long time. He came into our church family not too long ago, but the time spent getting to know him and his love for the Lord Jesus was truly a blessing. We will miss his quiet mannerism and sense of humor. May the peace of the Lord Jesus rest upon his family and friends during this time...

“ *Dan was one of the nicest gentlemen I have had the honor and privilege of knowing. He died far too young. May his memory be for a blessing to his entire family.*

“ Our memories of Danny are many. One that stands out is how he gave us his time and shared his talent of computers. Everything we know today is because of him. Believe me this was no easy task for him since we started with the on and off button. His laughter was a blessing. His patience was soothing. He loved The Lord and we will miss him.
