“ Continuing to pray for Rita's family, friends, and her "West Oil" family!! I had the pleasure to work with Rita during her tenure at West Oil, and I must say no matter what, she always stayed positive no matter what work/life threw at her. It was during that last few years at West Oil, and after, that I grew to admire even more what she was all about, especially when it came her kids/family and her Georgia Bulldogs who smoked my Bama team!! I know she is grinning and shaking her finger at me to rub it in!!!

Even when she was saying "Larrrrrrry" when I would visit her store and leave a "list", she was the one that always brought the conversation back to something that was positive.

Family, I can say that Rita will be missed and meant so much to so many of us. I will continue to remember our wonderful talks on tattoos, football, racing, heavy metal music, kids. and the positivity that she kept doing all that she was going through.
