“ *who would have thought
you'd go so soon
with you gone my life is so gloom
i hate that u have gone away
but forever in my heart you will stay
you taught me right from wrong
and now i must live on
with hurt and pain in my heart
i know we will truly never be apart
you made me laugh as well as cry
and with these memories i will get by
you are gone this i see
i know you're in heaven looking down on me
i love you uncle danny and always will
but losing you has been a great big deal
your suffering has ended but mine lives on
i love you more with each passing breath
happy birthday uncle danny
love your niece ashley*
