“ Dear Mrs. Moore,
I am extremely sadden and shocked by the loss of Danny. He was such a upbeat person and always made me laugh. He was a great help to my mom and always offered to help her if he could. I will defintley miss him flying around in that red van and hollering at him across the parking lot of a store, he was everywhere and wide open all the time. I often wondered if he ever slowed down. He is in a better place now cause I know that he wouldnt wont to have to live the life he was living before he past.

He will be missed
