Charles and Betty: One of my favorite old pictures has Danny and a crowd of us at a birthday party...around six years old. It was in July and most of us had on shorts only. (A couple had on underwear) Danny was decked out nicely; I suspect Corrie told him he was not going to look like that riff-raff down the road.

Mine and Julies' thoughts are with you.

“ *Charles, Very sorry to learn of Danny's passing. Remember him only from our youth and school bus rides. He was very lively, somewhat mischievous and always had something to say if I remember correctly. First person I heard to call him "Pot" was Henry Taylor. Don't know if Henry nicknamed him but Henry was always lively and bit mischievous as well. 😊*

Know that you and your family are in my thoughts and prayers as you seek comfort and peace during this very difficult time. May God be with you always.

I am so sorry to hear about "Pot". I have thought about him so many times over the years. He was always so friendly and nice in school. I saw him recently at the doctor's office and didn't recognize him. We started talking and reminiscing old days. I was hoping that he would get better, but I guess GOD had other plans for him. May God comfort all of you during these times.
