My children gave me a DNA kit for Christmas. I didn't give it a second thought. They mailed it. When we received it back, there were some surprises . I am Davids sister. I had heard the name from an older sister . It's late in life to hear it all and hope it doesn't hurt anyone.

“ Aunt Cathleen, just a note to say how sorry the whole Fuller family feels about Uncle Bill's passing. We know how much you LOVED Him and stood by him in every way through out the years and we knew How much he loves you as well. Especially as Robbie's story goes about him going to aunt Pat on a Sunday morning. Wanting her to help him find a Justice of the peace because he had found the woman if his dreams and That was You. We are here for you. Love Billy, Brenda and the family. Marshall is the only one living in S.C now.
