“ I am so sorry to hear of David's passing. Every time I go back home to visit mom, Pat Huff, I would always drive by your house across from the high school and think of David. We had a great time growing up together in Glen Acres Neighborhood. David was especially good at ping-pong that we played in David Beckroge's carport. We had a great time in the tree houses and race track that David and the neighborhood boys built. I will never forget the underground tunnels and haunted forest he helped with. He was like a brother to me. My name is Nancy Huff. God bless your family during this time and may fond memories fill your mind and heart.
