“ Sorry about your loss. David was so easy-going and easy to get to know. I will never forget the wonderful Christmas memories from years ago when we gathered around the table at my mom's, anticipating the meal we were about to enjoy, and enjoy we did.... several times, with enough to take home to relish once more! Though he is no longer with us, we have many memories we can instantly recall, and in a sense, relive it all again. 🙏
