“ Dear Cynde & Anna,
I'm writing on behalf of myself, my 2 brothers (Joey & Jody Lavender), & my Dad (Joe Lavender). We all thought so very much of David, & we are deeply saddened by the loss of such a wonderful person. I felt the need to write this to mainly share the experience I had with David, because it just re-confirms what a great man he was & how very much he loved his family. Of course I grew up around racing & always knew of David King. However, I didn't really get to know him until a couple of years ago when I had a bad wreck. Everyone recommended David to fix my badly damaged car. Because of an insurance delay, David had to keep my car a good while & we talked on a regular basis. During that time I started to realize why he was so well known & so well liked. I started to realize that he was truly one of the nicest & hardest working men I'd ever met. What I really want to share with you though is when we'd start talking about things other than my car. Nothing made his eyes or face light up more than when he talked about the 2 of you. You could tell how very much he loved you both, how very proud he was of both of you, & how he only wanted the best for you both. I teach school, & he talked about his concern for Anna & that she go to the best school possible. At that time, he had recently fixed up a new cadillac escalade for you Cynde, & he talked about how he wanted you to have something nice & safe to drive. We also talked about his beloved "Chip", because I too have a chocolate lab that is as close to me as Chip was to him. We talked about how we carry them with us as often as possible. He told me about how Chip eats white powdered donuts every morning, etc. He made me laugh. He made an otherwise unpleasant experience (dealing with a wrecked car) a pleasant one. He was an outstanding person, & there is no doubt in my mind that he's watching over us all right now, & that he'll especially be watching over the 2 of you (& Chip) forever. If there is anything we can do, please let us know. You are in our thoughts & prayers. I know my Dad, Joey, & Jody share even more fond memories of David. Please try to be strong, & know how blessed you were to have had such a wonderful husband/father. I know it's going to be hard, but I also know from hearing David talk that what

he wanted most in the world was for the 2 of you to be safe & happy. God bless you.

*With sincerest sympathy,

“*Dear Cynde and Anna,
We are going to be lost without our friend, David. He was one of a kind. He was always joking around or calling someone a different name, pulling Danielle's hair or taking her pocket book!! We are so glad that we became such good friends with you all. We will always treasure the times at the lake, at the race (17 27), out to eat and at church. It really did my heart good when I seen him up on stage on Fathers Day Sunday singing in the choir. He was singing and of course had that smile on his face. He was a kind man and tried to do what he could for others. The pastor was right when he said David would do anything for you and if he couldnt he would fine someone who would. He loved you and Anna so much. There is nothing he wouldnt have done for you both. We are going to miss him. His smile, his wave, the toot of the horn when he went by, but one things for sure he will never ever be forgotten. You know you are my "sister" and that Ill do anything for you at all. Just know that we are keeping you and Anna in our thoughts and prayers. May you find the peace you need through Christ Jesus Our Lord.*

“ Cindy and Anna,
David was always like a brother to me. We grew up together and he was always there. We raced our cars up and down the streets and usually he would pass me, laugh and honk the horn. He was a wonderful person that I always looked up to.
I have not told my mother yet. She loved David very much and because of that I think she should know.
Cindy, if there is anything that I can do for you or Anna then just let me know. He would be there for Gabe and has many times when I wasn't.
Anyway, my deepest sympathy goes out to you and Anna.

“ My heart aches for you and your great loss. Having lost my own daughter, Caroline Terry, August 22nd of this year, I know all too well the pain and grief that you must endure. We did have the benefit of time to say the things that we wanted to say over the last 10 months during her battle with cancer and although her death was unexpected at the time it happened, that can't compare to the shock of such an unexpected accident like you must accept. I find my comfort in my twin boys, family, friends, photos and memories of all the times we shared with Caroline. I also find great comfort in Jesus Christ my personal Lord and Savior. As your beloved David is now an angel watching over you, Caroline was waiting there to welcome her Uncle Johnny's best friend and show him around their new eternal home. I will continue to keep your family in my prayers now and the days ahead. I wish that I could tell you that it gets easier but so far I cannot. The last time I saw David the twins and I were passing your house on the way to meet my sister Suzanne at Hebron Cemetary. He was standing on the front porch looking at the work that was being done. He lifted his hand high in the air to wave and gave us that great big smile of his he so kindly shared with many friends, family and acquaintences along life's way. God will never have a mechanical problem in Heaven that David won't be able to fix. God Bless You. Rebecca Skinner###imported-begin###Rebecca Skinner-Fulmer###imported-end###
