Vickie, Amy, Davy, Joy and Susan, it was heartbreaking to read this today. I am so very sorry for your loss. I pray for all of the family that God will provide the peace that surpasses all understanding and bring comfort to you all. David Jr as we called him was so special. Luke loved working with his cousin at BF Goodrich many years ago. We all enjoyed going down to the shop to see Dave, David Jr and Dan. They all spent a lot of time together. He leaves behind beautiful memories for everyone's life that he touched. He will be so missed by all that knew him and loved him. Much love and prayers for all. Roberta Driskell Timmons

“ My first recollection of David is when I went to work at Western Auto with him and Mr Newsome during my Summer break before entering my Junior year at Hartsville High. I remember how he took his time to teach me how to read a ruler, fix bicycle's, and him telling me his Golden Rule, "don't sweat about anything." All of this on my first day of work. I have shared this story with so many audiences over the years. Nothing beats an encouraging word, especially on a guy's first day of work. I look forward to seeing him again!

“ Vickie, Dan and other family members,
I was indeed saddened to learn of David's passing this week. David and I palled around from 7th grade through our fun times at Carolina. He was always energetic, bright, responsible and had a knack for staying on top of all things important to him. We lost touch after our Carolina days but I kept up with some of his progress through Dan in the National Guard during the 70's. That was a long time ago but I'm sure David was a good husband, Dad and Granddad throughout life. I'm also sure all of you will be wrapped in the comfort of the Holy Spirit as you mourn your loss.
Prayers sent!
