“ Dave,not sure where to start; I miss you each and everyday! You meant so much to me,you will stay alive in my heart always. If I could change places with you I would in a heart beat. You had a son that loves and misses talking to you everyday. I promise to you I will make sure he knows the love you had for him and how you were such a great dad. I feel so empty inside. I just try to keep all the good memories alive of all of the good times we did have together. You accomplished so much in your life, I am so proud of you and all you did. Dave I love you with all my heart. You were always such and important part of my life.##imported-begin##Edna Tomlinson - Sister##imported-end##
