“ Dear Brian,

I was so shocked to hear about Debbie's passing. I worked with her many years at CP&L and saw her often at Lakeview. She was so kind and sweet and thoughtful. I will never forget 3 weeks after Cody (my son) was born Debbie came by and asked me if she could keep Cody for me. I have never forgotten that and would always tell Debbie how much that meant to me.

I sure do miss her and I know you do too. I know your pain and heartache as I have also lost my mother. It hurts but, Brian, take one day at a time and remember all the wonderful times you had with your mother. God Bless You and your family and may God give you peace and comfort and strength in the days and months ahead.
