“ Don, Peggy, Rocky and Paul Stephen, all of You were blessed to share each others life. You are one of the GODLIEST families ever. Freida and I were blessed to be the second couple that Don joined in Holy matrimony. He and God joined us together and 52 years later we are still together. He did a great job. We hope God continues to bless and keep you. Don is happily worshiping with his Savior and praying for all of us. Thanks for everything my friend.

“ Yesterday was "Mother's Day", but also it was a day of "Going Home".

A great man, father, husband, brother son, preacher, pastor and to me the last of the five great "Mentors" God sent into my life's journey.

Dr Don Purvis left this world yesterday to see his Mom & Dad, but most of all to see his Lord & Savoir whom he talked about most of his life to all who would hear.

Recently God gave me three special blessings from Dr. Don before yesterday's home going.

First God allowed my wife and I to go on Don's and Peggy's last double date.

We went to see a Christian movie entitled "The Overcomer". Highly recommend you see it on DVD now! After that we broke bread together at a Christian restuarant, " Chick - Fil - a". What a blessed time with the best Pastor and Mentor I ever had.

The second special blessing came when visiting him at the rehabilitation center. He would glow with a Godly smile each time I walked in and we would sing hymns from the old, old Baptist Hymnal. His favorite was "At The Cross". He would take the wooden cross from my neck and hold it all the while asking me why wear an old woden cross. I answered him saying because Jesus died on a woden cross, but now sits on a golden throne. Don would smile and say "That's Right", so why do people wear golden crosses (as if to lure me into a debate). I gave the only answer that would meet Don's approval. We are part of God's family, but we answer only for ourself.

The last special blessing came from out of no where and happened all of a sudden. It was close to when Don's mind was faltering more

and more.

We were talking bout our Lord and I asked Don did he have a sermon to preach? I was astonished when he replied " as a matter of fact I do" and he immediately proceeded with preaching his last sermon entitled "People Need The Lord".

I was so caught off guard I didn't think to film, take pictures or even sound record. He preached for exactly twenty eight mintues and seventeen seconds. He then said let's sing a song of invitation which was of course was "At The Cross". Ending with him praying the benediction by praising our Lord & Savoir".

That night I told all who would listen. Then late that night I memorialized Don's main three points in my daily journal.

After some time had past and much talk with God, I came to the understanding why all this happened.

It was God's way of simply showing the world and me it's not hard at all to be a Christian if you have Jesus as your guide.....

Will Don be missed - yes

Will we see Don again - yes

Will we see stars in his crown - yes and one might be there just because he helped me make it home to see my Lord & Savoir too!!!

“ Dear Purvis family, Bro. Don was a giant of the faith, a statesman, and I am glad to have called him my friend. I will never forget what he poured into me as a new and young pastor arriving in Hartsville and for the 14 years that followed. His spiritual investment in the people of Hartsville will be seen for generations to come!

“ Dr. Purvis was truly God sent blessing to me. Words cannot describe my love for him and Mrs. Peggy. He mentored many people, but I know that the Lord placed him in my path with a great purpose. He actually knew that I was called to preach before I knew it, and he mentored me in the call of the Lord. My heart is heavy for Mrs. Peggy, Rocky, Paul, and the entire family. But my heart rejoices as Dr. Purvis stands with Our King Jesus hearing the words, “well done my Faithful Servant.” Dr. Purvis I love you forever and pray that the Lord will share with you just how much you mean to me because words cannot express the love and respect I have for your leadership and friendship. I will see you again my precious Brother in Jesus Christ.

Don was such a huge influence on our family. It was through his sermons that our three sons came to know Jesus. He baptized all three of them. All of our boys refer to him as a “legend” when talking about him. He was by far the most influential person in my and Forrest’s Christian life. We will miss him and we mourn with the family. We pray for Peggy, Rocky and Paul Stephen. We also are in awe when we think about the welcome that Don had the moment he entered heaven!!! We will see you someday Don.
