“ Toni and Don's entire family: I am very saddened to hear of Don's passing. He and I worked together many years ago, but I will remember him always. He taught me things as a law enforcement officer I never forgot. Some of which you didn't learn from the police academy or training, but none the less important and practical. We too had some fun times at the Moose Lodge long ago. He will always be here in our hearts. He may be gone, but never forgotten.###imported-begin###Joel Griggs###imported-end##
