“ *My precious Donna, we will see each other again! You will forever be my very best friend. I love you and miss you so. I try to remember the great times we had working together Hartsville, Lugoff and Monroe NC. We made nursing and diabetes education fun!! I will miss your sweet smile and dedication to your profession. You touched my life in ways you never knew. We made nursing FUN. I had never laughed so hard until we worked together. I am happy that you are well now in the arms of Jesus. I promise to also love Caitlin and Kent and be here for them always. To Kent and family, jist know how much your angel was loved and will be missed. I ask they God give you peace in the coming days and months that surpasses all understanding.
