“ I know that sorry that you must be feeling right now. But take comfort because Jesus overcame the grave and Death and your loved one is more alive than ever before. Please believe that God is a merciful God and that he knows more about us than we know. Please lean on him and trust him in the days ahead as I have had to with the loss of my precious wife. I cannot tell you how much sorry I feel for your loss, but know this, Sorry lasts for the night, but job commeth in the morning. Jesus is still in control. I will keep you and your family in my prayers during this difficult time.

Sincerely,

Danny Beasley##imported-begin##Danny Beasley##imported-end##

“ Donna was my baby sister, and we have so many memories that I could write a book. She was my sister but also one of my best friend's. The last conversation's we had, a few weeks ago, Donna told me in the sweetest voice, different than I'd heard before. She said "Debra, I gave my heart to GOD. I asked HIM to forgive me and to come into my heart. Do yo think I'm saved?". I said Donna that's what HE requires of us, and you have done just that, and yes I do baby. She spoke of how much HE had seen her through and she know's it was Mom's prayer's answered, and had blest her with two wonderful son's, that was everything she had hoped for and they completed her life. Brad, Chad, Momma made it babies. Grandma prayed for all her children to be saved and though she may be gone that prayers true to GOD. She is at rest with GOD now and though you may ask why? Honey, GOD can give you the answer and the peace you need. You two have been her dream come true, and was always there, and I have no doubt of your love and respect to your Mom, my sis. In our hearts she was the best, and in GODS heart now she is HIS. So find comfort in that, no one can tell you why? We can only hold to you and love you and hold you close to our hearts, and we do. I'm proud of the son's you were to my sister and the men you are today. So set your minds to know you did all you could to feel your Moms heart and life! She got to tell Jamie he was a wondeful man and she was proud of him and hoped to meet his true love, and he felt so proud, he loved her so much. We love you with our very souls.
