“ *My daddy was the best dad a girl could ask for. I will always miss his daily morning wake-up text, "a huge around the neck." I would reply, "a bushel and a peck." He was my best friend and he will always be missed. It's been almost a full year since he left us and it still feels like yesterday. I miss him so very much.*

“ I am sorry to hear of your loss. When we lose someone in death, the pain, the grief and the feeling of helplessness can seem unbearable. The Bible promises; "God is near to the brokenhearted." It also says; "Throw your burden on God and he will sustain you." (Psalm 34:18 and 55:22) I hope this message will help you cope with the loss of your loved one.

“Joyce, Teresa and the entire family, I am so heart broken to hear about Donnie. Jim and I saw him a few months back at the grocery store and talked with him for about an hour. There was a lot of old stories shared of us growing up as well as things Donnie had planned for the future. As I sit here and compose this note, I still can't get my mind around the fact that he is no longer with us. His laughter, humor, compassion for his family and friends and his care free life only makes us jealous that we have truly lost a wonderful son, brother, father, cousin and GREAT friend. May God Bless each and every one of you during this time of sorrow and in the days to come. Love and Prayers: Virginia Huggins and Jim Huggins

“ I have 30 years of great memories of the time I spent with Donnie. He was a true friend in every sense of the word. Donnie did a lot of good deeds for people that have never been told. “ Donnie and I were the best of friends growing up. We spent so much time together we were just like brothers. The war in Vietnam separated us and when it was over I moved to North Carolina. I suppose life changes for all of us as we start families and the relationships we used to have changed as well.
I was shocked and saddened to here what happened to Donnie. I will always remember the good times we had but times like this make you want to connect with old friends before it is to late.
Donnie you will not be forgotten, you will always be a great memory in my heart. You were one of the best friends I had, may you rest in the peace of The Lord.
