To the Byrd Family.... I use to live behind your parents' -our back yards connected. Mrs. Byrd and I would sit on her porch and talk as I was amazed at watching her cats. Mr. Byrd was usually in the garden and my son had to see what he was doing at all times. My heart was broken to hear of your loss. It has been a few years since I've seen them, but I'll never forget them. My son, 'Little Ronnie' as they referred to him was saddened to hear this as well. We both will continue to keep you all in our prayers.
