“ Linda, Robert and John,  
My thoughts are with you as you celebrate your mother's life. She was always a neighbor mom who could be counted on. I remember playing countless hours of badminton at your house and cutting through the woods and your yard for a 2nd chance at catching the school bus. Never heard her raise her voice. She was a kind and beautiful woman with the softest prettiest southern accent. Truly an anchor of the neighborhood! Julie (Johnson) Olszko

“ John and I were so sorry to hear of Doris' passing, and wish to extend our sincere sympathy. We have so many memories of her and your family through the years as neighbors and friends. The day we moved into our house in Quinby, she greeted us at our front door with a dead snake dangling from her hoe and said "welcome to the neighborhood! The year of the blizzard, she had power before nearly everyone else, cooked up a batch of her delicious beef barbecue, and invited the neighbors to dinner - a warm house and good food - what more could anyone ask! I still think of her when I make that recipe. Another time when your family was on vacation, we were looking after the house while you were gone. When you returned, Doris & Clay informed us that some-thing was missing. We apologized and explained that we had borrowed the wheel barrow! Actually, someone had broken in and taken all the food from your freezer. In later years, after we had moved away, our families would visit when we were both vaca-tioning at Holden Beach. About 3 or 4 years ago, Doris and our friend Sara drove to Lockwood to visit us. It was a wonderful weekend full of laughter and memories. She was a true friend who will be sorely missed, though we know she is in a better place now.

“ Robert, Stacey, kids and Dickinson family, please know that you will be in our prayers as you mourn your beautiful mom. We know you'll miss her terribly. Yet, of course, for all of us who believe in and have committed to following Jesus Christ as Lord, the exciting thing is we'll get to see her once again, and gloriously so! Amen!

“ Our prayers are with all of you. As Doris once told us after Clay died when someone asked her how she managed? She answered, "His grace is sufficient". She lived her faith and trusted her Lord which was evident in her life. Will continue to hold all of you close in our thoughts and prayers. "Rock" and "Nanny"

“ Linda, Robert, and John, I am so very sorry about your Mom's passing. She was like a second Mom to us growing up. On the two visits I made to Florence after I had moved, I was able to see and visit with her once for several days. We had such a great time catching up. Please know that you are in my thoughts and prayers now and always. Your parents. my Dad, and the Pettigrew's are together watching over all of us and the day will come when we see them all again. Heaven gained an angel. My love to each of you.

“ Linda, Robert, John- We are so very sorry to hear of your moms passing. She was always such a sweet, loving and caring person. She opened her home, her love, and care years ago to two neighborhood children that needed your parents more at that time than ever. A memory that forever will be etched in both Jimmy and Billy's hearts. She and your dad help mold them into the men they both are today and that they are most thankful for. We are so very sorry we will not be able to make it for her funeral but, all of you will be in our thoughts and prayers. Heaven is Shining Much Brighter!!!  
Much Love to You All!!!
