“ Terry, Sorry to hear about your mother passing. We went to School together but I am not sure if you remember me.  
I wanted to share a story with you. Once when my mother was in the hospital, I met your mother. She asked where I went to school and if I knew you. She was so nice and she had never seen me before. She reminded me of my mother(Miriam Newsome). You could not ask anyone to be any nicer than she was. Also she talked about her family and grandchildren. She loved you all very much. Not only did she tell me but I could tell by the look on her face. I am sure you will miss her but one day you'll join her in heaven, as I am sure that is where she is. My prayers go out to you and your family.

“ We would like to extend our deepest sympathy to the family of "Ms. Mac". I was one of the very fortunate people who worked with her at Liberty Life. Always had a bright smile, beautiful attitude, trustworthy. I could go on and on with compliments to her. She was a very special lady. My wife (who graduated high school with Scott) and I thought the world of her.  
When our son was born, she crocheted a beautiful sweater outfit for him as a gift. She truly was talented.  
Through the years we have often thought about her. I know you all have many memories of her. Keep them in your heart. Always remember that when you have difficult days that God is just a prayer away. He will comfort you through your sad times and give you strength when you need it. In God We Trust...Mike & Janice (Deut.31:6)###imported-begin##Mike & Janice (Brigman) Smith###imported-end##
