“ *DeEtte and Family'*

*We are so sorry for your loss. Aunt Doris has touched so many lives and always in a very positive way. She loved life, was generous to a fault, she always made time for anyone in need and she loved her family with her whole being. She was so beautiful and delightfull to be around you sometimes lost sight that she was such a savy business woman.*

*I am so thankful that she took the time to go with Mother on her shopping trips and even doctor appointments. Mother enjoyed anything so much more when Aunt Doris accompanied her. My fondest memory is the times she and I spent going to Charleston for her doctor appointments. We laughed about our antics as children even my brother burning down the tack shed. We talked about favorite places we lived and favorite houses. Her favorite places were always close to your family. She even taught me some of the steps necessary to develope a property into a development. It can't be said enough that she was a wonderful Christian woman who lived her life as if God was by her side everyday. She well be greatly missed by so many people but she leaves us with tons of happy memories. She also leaves us with a blueprint on how to live our life to the fullest and be our personal best.*

*Hope your wonderful memories help you all through this difficult time. Sending our love and support your way.*

“ *DeEtte and Family,*  
*I am so sorry to learn of your loss. She was a very special lady. She was always friendly and looked like a beauty queen, neat ,well dressed and her hair was always set in a very becoming manner. I remember her chaperoning on our band trips and later in my adult years how sweet she always would be, when I would see her.I know this is a very difficult time for you all. You will be in my prayers.Cherish the good memories you have of her and your family. Live your life like you know she would have wanted you to. I am sure the angels in heaven are rejoicing . Another saint has come home.I know how much she will be missed.*
