“ To the Yow family. My heart goes out to each of you. You can be proud of the wonderful and caring person that she was. It is very rare to know someone with such a big heart and I am truly blessed that I was touched by her. I will always treasure the beautiful memory of the last time I saw her with such a strong desire for life (Charles Dickens Christmas Show). “ Dear Family,  
Doris was the most kindhearted, giving person a friend could ever have. She was a better friend to me than I was to her. If I have learned nothing else in this life. I have learned to be true to myself and my God and to always forgive those who anger me. Doris taught me that I can be a better person, and I am just by knowing her. I thank God he brought her into my life, and I will always remember her with Love. God Bless you all and I know that you will see her again someday.###imported-begin###Jean Connell###imported-end###

“ To My Friend, Of all the people in my life, from beginning to the end, You've been a special blessing, My dear and faithful friend, You've filled my life with laughter, shared sorrows, joys and tears. You've stood by me through the years. When I needed someone to listen, I knew You would always be there. When I weathered the storms of life, You were always the one who cared. So in this circle we call life, from beginning to end. I was blessed to have YOU beside me, My Dear and Faithful Friend.
