“ Today marks one year ago, you flew away to bring joy to all our love ones in heaven. There is not a day that goes by that I do not miss you but I know you are in a much happier place. I just wish I could have had a few more conversations to understand how to handle some things, but I know in time you will help me with the wisdom you shared with me. I love you and I hope one day I will be able to be by your side once again.

“ Jim, Carol, Jennifer, Just a note to let you know how sorry we are that we missed the funeral services. We had certainly planned to be there but we had an phone call from Howard's wife and had to go to her house. The doctor was there and has told them Howard only has about a week left. It was good to see you again, although under sad circumstances. We will continue to remember your family and ask that you pray for Howard and his family. “ I have always been grateful and will always remember Dot's genuine kindness and concern for me and my family when I lost my husband. He thought the world of Dot too. We spent many hours on the phone and in visits when she came to the beach. She loved to talk and I loved to listen to her talk. I loved her stories. She passed on her wisdom gained from all of her life's experiences with the hope that maybe something she said would help me and it did. She will be missed. My heart goes out to you Jim and to your family. You are all in our prayers.##imported-begin##Barbara Charles##imported-end##
