“ Greg my heart is breaking, Dot you left so fast. You and Red became our friends forever. We met you 40 years ago when Glen managed to have a heart attack at 45 only one month after I got to South Carolina. You and Red came in the hospital looking for me someone you didn't know. You were there. The love and respect I have for you has never wavered. I am glad I got out to see you again although it wasn't enough. I was planning on getting back out in the next few months but now it won't be. You go my beautiful friend and be with Red. I have to hope I will see you again. Greg, Ronda and Madeline I hold you in my heart. My prayers are with you.

“*Prayers for all the family. My family grew up around the Horne family when I was a child. I didn't realize that so many of them had left this world. They were all good people! Mamma Alma and my mom were best friends and shared many meals when they lived in Swift Creek apartments years ago. I remember how beautiful all the girls were and Bob was very handsome and a great man! May God comfort you all and always remember the good times you had together!*
