“ Sandra, Linda and Ricky,
Ms. Dot was a special and dear friend to my family. The last time she had dinner at our house, we had called her at the last minute to see if she wanted to share in some fresh "fried" fish. And she was there in a jiffy. Daddy and Mother loved her so much, as did my husband, Al and I. We will cherish our special times with her through the years.##imported-begin##Rhonda Booth Marcum##imported-end##

“ Linda, Ricky, Sandra and Families, I always enjoyed talking and laughing with Dot and I especially enjoyed her humor and her strength. When we all use to work together, she always had a smile on her face every morning when we all would be dragging. Dot and Aunt Frances shared with me their trip to the mountains together and how much fun they had this past summer and how they would slip and feed Pete's dog more food than he was suppose to eat. We have so many loved ones in Heaven now and I know they are rejoicing and waiting for the day when we can all join them. Won't that me a wonderful day when we can see them again with no suffering or no more pain. Until then, hold close the love and all the wonderful memories that she left with each of you. I think of this scripture when I think of Dot which says Beloved, thou doest faithfully whatsoever thou doest (3 John 1:5) When I attended her service on Sunday, each one of the pastors commented on her service to her God, church and family what a wonderful legacy she left behind for each of you to follow. If I can help in any way, please let me know but I will be praying for each of you. I also know that God will comfort you in your time of sorrow. In closing I would love to tell Linda what a wonderful daughter and daughter-in-law you were to your Mom and to Aunt Frances. I know it was hard, because some days you would be taking one to the doctor and had just brought the other one back. I know God will bless you and comfort you.
