“ Paulette, Aunt Bernice and Aunt Estell please know you are in my prayers. I went to Oakhaven once a month to visit some from our church as well as Aunt Dottie. Brought back lots of memories since mama stayed there so long. I had just gone Thursday morning and saw Aunt Dottie. I knew then she was not in good condition. She is a much better place and will never have to suffer again. She and "Sister" are having fun again with each other. Love you all. “ Paylette, Aunt Bernice and Aunt Estelle, just got the word of the passing of Aunt Dottie. I wish I could be there with you during this time of sorrow. We are in the midst of re construction of our house after major water damage.

Know that my heart and prayers will be with you all. I spent some time with Aunt Dottie back in July and enjoyed my time with her. Even with her illness she managed to make you laugh. I will always remember her and cherish the memories of long ago when we would all gather at grandmama and granddaddy's house. I can still hear the sweet laughter of children playing in the yard and Aunt Dottie and mama yelling out "be careful", "don't go too far". What a treasure to remember.

May God Bless you and hold you tightly in His loving arms. Sending our love and condolences, Marlene and Murray##imported-begin##Marlene & Murray Dalrymple##imported-end##
