“*Dot was one of the finest people I have ever known. She made me laugh and she made me feel good about myself. We were good friends early in my life, when I was a teenage busboy at The Beacon, and more recently in the last two years when I needed her most. She never asked for anything in return from me but to be the decent human being she knew I was capable of being. I will miss my lunches with her, and my phone conversations. God has a new good friend I am certain.##imported-begin##Andrew Williams##imported-end##*
