“ We are lucky that for about six months before Doug's death we got to spend time with him almost everyday!! Doug and Gabe were becoming very close friends!! As for me and Doug, well I was lucky that we grew up together!! He was a wonderful person to be around!! Always laughing, making jokes, jamming on his git, and just being Doug. Doug, we love you so much and miss you dearly!! You will always be missed!!!##imported-begin##Gabe Wilkes And Tiffany Burleson##imported-end##

“ Doug was and still is family to me. He had the biggest heart of anyone I know. From the first day I met him, I knew he was very special. To have his life taken is this early stage ravages my heart and soul. I will never forget him. Ever. Death is never easy. Especially when we are not old and withered. He had such a vibrant personality. I love you Doug Love and may you rest with God now. Your Aunt Debbie. God Bless You.##imported-begin##Aunt Debbie##imported-end##

“ What words can express what we're feeling right now. I loved Doug like he was as close as a brother to me. This won't make sense in this lifewalk but one day it'll make perfect sense. We often traded smiles or laughs because we both had them to give each other so freely. He understood me and I understood him despite the fact our lives are so different. He loved me because he KNEW he could always come to me for the truth. Even when it hurt. I could go on and on about my friend but I just know how blessed I was to call him "friend" and what small percentage of the ppl on this earth had that opportunity? I am indeed fortunate and I will go many, many moons missing my brother-friend. DOUG: Keep an eye open on me and put in word for me with the Great One because I can't seem to harness my humanity and the mistakes keep coming. I love life but I know it'll be a joy to see such great ppl like you and our fathers when I'm there with you. Keep it real and I promise I won't forget any more than I've forgot my favorite cousin Rodney who left me suddenly in 1986. It still hurts sometimes like it happened yesterday. I know I'll always feel that way about you to. Looks like you're winking at me in that pics. Here's a wink back ;-).

*I love ya!*

“ To the family:  
Doug was a wonderful friend, father, and husband. I will truly miss his smile, laughter, guitar playing, and his "huge" heart. Stay strong and lean on each other because right now is the time when you the family binds together to heal. You're in my prayers.

To Kristie:

Hunny, I will do everything I can to be there for you and I am so sorry that you have to go through this, but you have (I know it's going to be hard) to be strong. Doug left something behind for you...Nathan...and he needs you just like you need him. Stay strong baby! I love you.##imported-begin##Cayce Childers##imported-end##
