“ *Dear Eldon and extended family, On behalf of Embrace Hospice and the Howard Family, I would like to express a heartfelt sorrow for your loss. In the book of John chapter 14, reminds us that in my Father's house are many rooms; if that were not so, he would have told us and He went there to prepare a place for us. Family, earth is not our home, and we are only passing through this land, so hold on to the promise, for one day we will see our loved ones again. My prayer is that God will continue to hold you close as you press on.*

“ For the past 30 years I have considered Mr. and Mrs. Henderson much like my own family. I was 23 [now 53 and still calling on Henderson Supply] and starting a new business when I met Mrs. Henderson, she welcomed and encouraged me through my early years and for that I will always be grateful. We both shared a passion for cooking and many days I sat in her office discussing recipes. She also shared that interest with my younger brother, who at the time worked for me. She always made me feel special and appreciated....such a quality person. I am honored to have known her....I will miss you Mrs. Henderson, enjoy your walk with God.
