“ Tracie and Susan I will be praying that in the days ahead God will give you a peace that passes all understanding, Turn to him for your comfort because he is the great comforter. I know it has been a difficult time through his illness and death, but the best part of all is he is no longer suffering. That does not make it any easier for those left behind because we still have a void , but if you will allow him to God will see you through. If I can do anything please let me know.
