“ *I send my condolences to Henry,Bucky,Ronnie,Donnie, Ruby and the rest of the family. Edna was a wonderful human being that I loved very much and will always remember. I very much enjoyed my visits with her over many,many years, and wish she could have been here for the grand opening of the Train Depot which she was so looking forward to.*

*I apologize for missing the visitation and funeral, I had been so busy I had not opened my paper Wednesday and when I read my papers Thurs. was too late; no one had informed me, yet I live right down the road from Edna. The entire town will miss Miss Edna, I know I will miss her every time I pass her house.*

“ It has been along and loving memory I have of Edna. She was not quite 8 years older than me.. I'll always remember Newman bringing her up home for the first time. She was more like a real sister than a sister -in- law. My love and sympathy to all. Love, Jewel
