“ Dora & Family - I am so sorry to hear about your mother. I will always remember "Ma Burkett" from the times I spent with you and her. She was truly a special person to me. She was always smiling and we three had so much fun together. I know we were a hand-full back then, but she understood teenagers, as we were, and just loved us to pieces. I will cherish the memories. May you draw comfort from the Lord and rest assured that she's still smiling. God bless you and your family members. Please email me later on.##imported-begin##Jackie Gainey Edwards##imported-end##
