“ I will not be able to make it there for the family. I special memory of Middleton was when my Daddy and his Daddy were making ice cream at Uncle Ben and Aunt Martha Faye's house and they tricked us into putting rock salt and ice in our hands and told us all who ever could run around the house the most time would get \$2.00. Middleton made it 1 and a half times. The rest of us never got all the way around the house once. He was strong minded and get will power even then. Love you Cous!!!!

“ Linda & family y'all will be in my thoughts & prayers always. Milton & my brother are up in heaven catching up on old times. When I first met Milton he couldn't remember my name so he named me Dumpling & after that I was always Dumpling when he saw him. I will always think of him as the friendliest preacher ever. He was a CB buddy of my brother. He would tell me stories of Frank Cannon (my brother) & his wifee Peggy. Some were pretty funny. God bless you all.

“ Rev. Bradshaw seemed to always be making over his wife! Our sympathy is with you all. Remember Jesus said, “My PEACE I leave with you. My PEACE I give to you; not as the world gives; do I give to you. LET NOT your heart be troubled, neither let it be afraid.”  
John 14:27
