“ To all of Wayne's family: I have thought of you often in the passing years since I moved out west, and I always remember the good times. Wayne was a part of that era. You are in my prayers since I learned of Wayne's passing, he was one of the good ones. I have many memories of Wayne and he actually helped me through some rough times. He will be missed

“ Wayne I can't help to think you left us way too soon. You and I had our ups and downs but in the end we were able to talk to each other and laugh about the good times we had and the cried about the bad but all in all we TALKED. You & I made amends and thats all that matters now. I will always Love you and Noone can ever take that from me....And they could never ever make you not Love me... You always called me when you had noone else to call to and you knew I would always be there. Not many people could say that.....Sleep for now My Darling for One Day We Shall Be Together Again....##imported-begin##Carolyn Marshall##imported-end##

“ Dear Peggy and Family

It was a joy to have Wayne as a neighbor and friend. He was good to look after us when he could. My husband and I have good memories of visiting with you and him, and my parents still remember the first time we all sat on your front porch. Please remember our love and prayers for you, and that we will miss Wayne.

God Bless you and all yours.##imported-begin##Gladys and Dicky Premo##imported-end##

“ To John Lee (Bruno my Big Brother);

Please don't forget the promise you made to me when I came to visit you;

Remember to pray, and keep the faith, don't give up! This is just a test of your faith, God will make a way. If you pray the sinners prayer and give your all to God he will give His all to you.

Please give Ronnie your address for me so I can send you some pictures. If you have a phone call me, 803-783-4831. Tell all hello for me. Alan said to tell you that he is so sorry for your loss, he understands because his sister passed away last November. Also, you are in our prayers, and I'm sorry we couldn't be there for you today. I still love you Big Brother and hope to see you soon. May God Bless you, with love,
