Aunt Lena has made all the desserts and Aunt Lib the roast and gravy with home made vegetable soup. My Mom is cooking butter beans and corn. I guess Aunt Vera is in charge of the bread. I just know that our grandmother is roasting pecans. “ Donna, I have kept you and Uncle E.L. in my prayers the last couple of weeks. I am so happy that you were with him when he passed. I was with my Daddy and it was and continues to be one of the most special moments of my life. I loved your Daddy and am so grateful that we were able to get together and my children could see him and have memories of him. They enjoyed meeting you and Danny. Thank you fro your hospitality. I would love to return the favor one day. I wish I could be there with you tomorrow, but I cm unable to get away. Please know that Myers, Geoff and I will be with you in spirit. I hope we can get together soon. I know that your Dad, my Mom, Aunt Lib, and Aunt Vera are keeping Aunt Lena busy in heaven. I can hear her calling out "here now" to keep them from being so crazy. There is nothing more precious in all the world than family. We are so lucky that our parents came from such a loving and yes, crazy family. I have tried to instill the love of family in my children as I know you are doing with Lawson. I am afraid I passed on the craziness as well. Love to you. I will be thinking of you tomorrow. I wish I could be there for you and with you and to see other family members as well. Please give Mike my love. I would love to give him a hug in person sometime soon. Kisses & Hugs,
