“ I am very sorry to hear about your mother, my mother passed this year as well and i know what you are going through. I worked with your mom at Moore's a few years ago and she was the sweetest person. I counted it an honor to call her my friend. There was never a day that i would see her and she wanted to know how the family was, and how I was doing. All of you are in our prayers.##imported-begin##Brenda davis##imported-end##
