“ John and Joni, I was very sorry to learn Eleise passed away on Monday. My heart was still filled with happiness over the visit with her on Sunday. She was a lovely person who loved everyone. She was a dear friend to me and we shared many wonderful times together. When I start feeling sad about losing her, a joy comes over me and I know that is because she is with her dear loved ones in heaven. What a joyous reunion she and your Dad had on Monday evening. I wish for both of you and your families a peace that only God can give you.

“ Dear Family, I feel like I know all of you but we never have met. That is because Eleise and I were friends. She loved all of you so much she often shared about your accomplishments and wonderful relationship. She was so proud of each and every one.

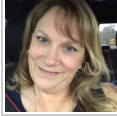

*We shared shopping trips to Florence, Society Hill and Charlotte. She knew all of the great places to shop and lunch. She most often would ask folks working in stores "is this your best price?" -I loved it and purchased some bargains myself. She had such keen eye for design and color. She helped me purchase some items for our home in Hartsville.*

*I truly missed her when we moved back home to Indiana. We shared lots of laughs and tears on her back porch. She gave us some ferns from her yard when we left  
-we call them Eleise Ferns.*

*Love and prayers to all,
