“ I knew Mrs. Lynch for a brief period of time but her kind, gentle nature made our short journey together feel like a long beautiful journey together.

She blessed me in so many ways night after night of her amazing strength.

I loved being part of her caregiving team..we all rocked it for her 👍

She was straight forward and you knew right where she was coming from and I really liked that about her...one of her cute things she would ask me was...

“Where is Ann!”

RIP Mrs. Lynch...Sweet/Pretty lady as I would say to her and she would smile 👍
