“ Although it has been so many years ago, I worked with Ann at the Bank of Hartsville. She was my "favorite person". We worked hard but always had time for a good story...usually about shopping. One of her daughters had bought her a pair of red "high heels" in Columbia and they were so pretty, I wanted a pair of them. We would talk about our same likes & dislikes....then we laughed when we realized our birthdays were a day apart...hey, we were both Scorpios!!! I'll always cherish those memories and smile when I think of her!

“ Dear Shaw Family: Your mom was a very special lady. I knew her from The Bank of Hartsville. I was fortunate to be employed during the time she was there. I remember one time when the entire bank staff was at the beach for the weekend. After arriving at the motel, Ann realized she had left one of her suitcases at home (that would never do!). So, your sweet father, turned around and drove back home to get that suitcase. What love. My prayers are with you as you go through this most difficult time.

“ Dear Luan, Van, and extend family, On behalf of Embrace Hospice and the Howard Family, I would like to express a heartfelt sorrow for your loss. In the book of John chapter 14, reminds us that in my Father's house are many rooms; if that were not so, he would have told us and He went there to prepare a place for us. Family, earth is not our home, and we are only passing through this land, so hold on to the promise, for one day we will see our loved ones again. My prayer is that God will continue to hold you close as you press on.
