“ Tara,
I am so sorry to hear about your mother. I know the pain that you are going through. Please know that you and your family are in my Thoughts and Prayers. I am sorry that I am just now getting around to sending a condolence, but I was on vacation and just now saw the obituary. May God give you and your family the strength, comfort, peace and courage and understanding in the days and months to come. God Bless each of you...
Love,

“ I'm so sorry to hear about Lib's passing. We used to carpool together when we worked at Dixie Cup. I always thought a lot of Lib and I loved the way that she was so outspoken and honest. She will never be forgotten in my heart. She alwsys talked about her children and grandchildren...she loved you very much.
