“ Elizabeth was SO special to Clair and I. She and I wrote each other always signing off as 'the other Elizabeth'. Elizabeth and my husband, Clair, both had great interest in genealogy and for a number of years scanned and sent photos of the Stewart family to identify. She is missed. Her way of being totally involved in serving and loving the Lord and the hurting was an encouragement. I'm praying for Jack during this time. Love to all in the family, Elizabeth Black

“ As members of St. Luke UMC I remember Liz as always being helpful when we needed anything to complete a church project. We would often chat in the office and she once recommended we visit Key West after a trip she and Jack had taken. We went and had more to talk about.

We are remembering your family in prayer.

“ *Jack and Liz were special friends, they were more like family than friends, I remember her many trips to my sister Doris's house to bring her special things to make her feel better, they loved each other soooo much and I know they are rejoicing in Heaven, Liz on the organ and Doris on the piano, the angels singing those hymns we all loved, She will be missed, Jack we are lifting you and your family up in prayer as you face these days without Liz, she was special!*

Love and prayers,

“Gwen and I loved LIZ and Jack. They were always faithful to the Hartsville First Church of the Nazarene (now called The Gathering Place), the 6 years I served as their pastor. A special memory for me is that Liz could play ANY Song. She was an amazing organist for the church as well. A personal memory for me is that Liz would make me a Rhubarb Pie periodically because she knew I loved rhubarb as much as she did. Our thoughts and prayers are with Jack and the whole extended family. Enjoy God's Glorious Heaven LIZ. We WILL see you again one day.
