“ Dear Family, our thoughts and prayers go out to you on the passing of your loved one. Isn't it great to have the hope that we have through Christ Jesus our Lord, that we will see and be with our loved one again in that beautiful place called Heaven....where Jesus will be all the Light that we will need there. Keep your loved one's memories alive in your heart.

“ Wynette and Family, You are in my thoughts and prayers. Mrs. Dixon was the sweetest person. She had the softest voice and always a kind word. The last thing she said to me on Sunday night was a compliment. In all that I have ever heard her say, it was always words of encouragement to whom ever she was speaking to. The world has lost a great woman, but heaven has gained an angel.##imported-begin##Ivy Blue##imported-end##

“ My deepest sympathy goes out to the Dixon family. Aunt Ella and Uncle Caulie always treated me as one of their own children. I will always remember the good ole days when I stayed across the street from them. I would flash the porch light to Wynette and she would meet me halfway across the field. Aunt Ella always welcomed me with open arms, and Uncle Caulie always said come on in the house doblin. That was one of my nicknames to the family. I will always cherish those days. Aunt Ella is another one of God's Angels now. I know she is in Heaven with Betty, Charles and Michael and she would not want to come back. Just remember she will always be with you in your heart. Remember the good times God gave you with her. Wanda, Wynette, Jessica and Chuck I love you guys very much. If you need me I am just a phone call away. May God bless you all in your time of sorrow.##imported-begin##Darlene Dixon Jackson##imported-end##
