I can only hope to live each day with as much beauty, creativity and grace Emily brought to this life. My only solace is the comfort of knowing she no longer suffers. “ *To Emily's family, I'm so unbelievably sorry to hear of Emily's passing. She was such a kind and gifted person, and I'm so honored to have known her. The creative writers at SCGSAH were family. We didn't just share our writing day in and day out. We shared our hopes and fears. We laughed together. We cried together. We found our voices together. Emily was universally loved by all the writing govies (and everyone else that knew here) and our lives were changed by having known and loved her. I'm holding you all in my heart during this time. With love, Maura*
