“ To the family of Mr. Howle, please accept my condolences. Many wonder at a time like this if there is any hope of seeing our dead loved ones again. The Bible teaches that most people who have died will be resurrected. When I lost my dad last year the passages that gave me comfort was Jesus promise that "those in the memorial tombs will...come out." John 5:28,29 In harmony with God's original purpose those resurrected as humans will have the opportunity of living on a paradise earth. Luke 23:43 This promised future includes perfect health and everlasting life for obedient humans. The Bible says at Psalm 37:29 that "The righteous themselves will possess the earth and they will reside forever upon it." I hope these few passages will bring a measure of hope and comfort.##imported-begin##Sheila Stohl##imported-end##
