“ When I think of Eryll, I see a soft spoken man who smiles when ever he spoke of his family. He was very proud of all of them. When ever the HP breakroom phone would ring we knew it was for Eryll, Tammy calling. He loved her very much like newly-weds. It seems like it was just yesterday we were laughing so hard together over a Batman & Joker video or eating Lobster & drinking beer with Tammy. I'll miss him very much. May God bless him and take care of his family.##imported-begin##John M Garverick##imported-end##
