“ Aunt Essie we all know where you are without a doubt. God took an angel home. You will never be forgotten as the most caring, loving person. You helped keep the family together with your laugh and your love. If we ask for advise you gave it and even if you didn't that didn't stop you. But you always said if we don't want your advise don't ask. The circle is complete now you are with the others five now keeping them straight. I can hear you now "Jennings now just hush so somebody else can talk". Love you to the moon and back until we meet again.

I learned many life lessons at a very young age working with Essie at my very first real job at Dr. George L. Timmons's office. My thoughts and prayers are with all of Essie's loved ones.

“ Aunt Essie, I hope you and Mother are having a good time together in Heaven. You were like a mother to me, you held my hand and cried with me when Mother passed away, you gave me advice when I asked for it (and sometimes when I didn't ask), you always knew what to say and when to say it, you helped me thru some bad times and were there for the good ones. I will miss your smile, sense of humor but most of all, your love. I know you are with God now and you're pain free. Rest in Peace, I Love You. Cricket

“ I have many special memories of Aunt Essie, especially riding with her and Granny to the grocery store in that big gray car! I'm sure if there is a grocery store in Heaven, Granny has been waiting for Aunt Essie to take her there!! :) Aunt Essie was very caring and her nursing was natural. She will certainly be missed!
